

REMARKS/ARGUMENTS

The amendment to the specification under item (A) is supported by Claim 10 as originally filed, and therefore, does not add any new matter.

The amendments to the specification under items (B) and (C) are corrections of obvious typographical errors, and therefore, do not constitute new matter because one skilled in the art would recognize the existence of the error and would be able to make the appropriate correction.

Applicants submit that this application is now in condition for examination on the merits and early notification of such action is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
